Ms. Julie Davis
Secretary of the Senate
Office of Public Records
PO Box 77578
Washington, DC 20013-7518

Dear Ms. Davis:

Enclosed please find pages of corrections that were listed in the RFAI, dated June 1, 2015. These were posted appropriately, but not picked up by our new software.

As I told Jill Sugarman at the FEC, I did not receive this notification nor the one dated March 30, 2015. Upon researching I discovered the email address box had not been marked as having changed, so I wasn't getting the notifications. There will be a full amended report sent, hopefully by the 15th of July. Our CPA is out of her office til next week.

Enclosed also is an amended Year-End report along with documentation of the \$1800 refund to Randy Ennen.

If there is something else that needs to be done, please let me know.

Sincerely,

Jody McAnally
